REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicants have amended claims by limiting the hydroxycarboxylate metal salt to zinc α -hydroxycarboxylate. Since the prior art cited in the rejection under 35 USC 103 in the previous Office Action does not teach or reasonably suggest the zinc α -hydroxycarboxylate component in the catalyst composition, thus, the rejection is withdrawn and the instant claims are in the condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Caixia Lu whose telephone number is (571) 272-1106. The examiner can normally be reached on 9:00 a.m. to 5:30 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
